

A hand-drawn floor plan of a building. The plan shows a large rectangular area with several internal divisions. At the top, there is a small rectangular area labeled "I.P.". Below this, a diagonal line labeled "1.6" connects to a horizontal line. To the left of this horizontal line is a vertical line labeled "1.6". Below the horizontal line, there is a large rectangular area labeled "ST.". To the right of "ST." is a smaller rectangular area labeled "W.C.". Below "ST." is a rectangular area labeled "INS. Y.". To the right of "INS. Y." is a rectangular area labeled "W.C.". Below "INS. Y." is a rectangular area labeled "SEPTIC.". To the right of "W.C." is a rectangular area labeled "SINK". To the right of "SINK" is a rectangular area labeled "TUBS". The plan also shows a staircase on the left side and a small rectangular area labeled "1.6" at the bottom left.
